Hi Annie,

Sorry for the confusion. Daniela and Della are coming at one. I am not sure I will need you - you might want to touch base with Daniela.

Thanks, Ted

Hello Ted,  
Thanks for sending me the discovery packet. I contacted Della and Annie to let them know they may be needed for Monday as well. Please send summons for all three of us for Monday because Federal court takes precedence over all other court appearances and have us all there because you will need both primary and secondary chemists. The fax number here is 617 983-6625.  
Thank you,  
Daniela Frasca
